Position: Graduate Peer, Research Commons, SFU Libraries, Simon Fraser University

Description: This is a paid position to develop R support services for SFU researchers in a variety of disciplines. The Graduate Peer will develop and lead research programming workshops in R and provide one-on-one and group R consultations remotely and by email. Other duties may include developing documentation, module guides, and relevant web pages to support R services. Reporting to the Research Data Librarian, the Graduate Peer will work closely with the Library’s Research Commons team.

Simon Fraser University Library is grateful to be located on the lands of the x̱w̱məθkw̱̓ay̱am (Musqueam), Sḵwx̱wú7mesh (Squamish), səl̓ilw̓ətaʔɬ (Tsleil-Waututh), q̓íčaʔə (Katzie), kʷik̓w̓aʔlam (Kwikwetlem), qičy̕t (Qayqayt), q̓̓aʔnəẖʔič (Kwantlen), Səmyàma (Semiahmoo), and sc̓əwaʔtan (Tsawwassen) Nations. Acknowledging the benefits of occupying this land, the Library commits to becoming a more welcoming space for Indigenous Peoples by centering Indigenous voices in our collections, services, and programs.

Minimum qualifications:
- Currently enrolled in an SFU Graduate Program
- Experience working with data in a research setting
- Training in R and RStudio
- Demonstrated familiarity with R and RStudio software
- Demonstrated ability to explain R
- Demonstrated ability to work with learners individually and in groups
- Experience with Python would be useful
- Excellent interpersonal and communication skills

The Graduate Peer is expected to:
- Communicate professionally with researchers
- Develop and facilitate R workshops for graduate students
- Work one-on-one with graduate students, to facilitate understanding and application of R and RStudio
- Develop documentation and website materials to facilitate the use of R and RStudio by SFU students from a variety of disciplines
- Undertake occasional R projects at the direction and discretion of the Research Data Librarian
- Refer users to their department and/or the SFU Stats Consulting Service for questions relating to research methodologies (e.g., experimental design, correlational design, etc.)
- Provide administrative documentation of workshops, consultations, and other work in a timely manner
- Be reliable and punctual
The Graduate Peer does not:

- Provide course- or assignment-specific instruction to students
- Consult on choosing particular statistical techniques for analysis, or on interpreting results of analysis
- Complete student assignments/projects or portions of assignments/projects
- Provide assessments or evaluations of students’ work

**Salary:** $26.50 per hour

**Hours:** Flexible – hours will vary with workshop offerings and consultation requests

**Term:** Summer (May – August) 2022

**Application Process:**
Applications must include:

- cover letter and resume/curriculum vitae

The SFU Library commits to a continuous process of transformation to advance equity, diversity, and inclusion and to serve the cause of social justice. The [Library’s Statement on Equity, Diversity and Inclusion](https://www.library.sfu.ca/equitydiversityinclusion) provides more information.

All qualified candidates are encouraged to apply. Simon Fraser University is committed to employment equity and strongly encourages applications from qualified candidates of all genders, visible minorities, persons of First Nations, Inuit, or Métis heritage, persons with disabilities, and persons who identify as LGBTQ2SIA+.

**Deadline:**
This posting will remain open until the position is filled. Review of applications will begin immediately and continue until the position is filled. To be given assured consideration, applications should be submitted via email in one consolidated PDF document, to kmukunda@sfu.ca.
