MESSAGE FROM THE UNIVERSITY LIBRARIAN

I’m pleased to offer congratulations to all the authors and creators we recognize at our 16th annual Celebration of SFU Authors. We applaud you for your contributions to the scholarly and cultural output of the university.

This year we celebrate more than 150 works authored by faculty members, students, staff, postdoctoral fellows, alumni, and retirees. This year’s list reflects the variety of scholarship and creative work at SFU, and more than ever, the evolution of forms. We see more digital works on the list each year, and more works pushing the boundaries of what it means to be “published.” It is both exciting and important to celebrate and document these developments.

This year we will again gather virtually. Despite the fact that we will not be together in person, we are no less enthusiastic in our celebration of these outstanding scholarly and creative accomplishments. Congratulations to all!

Gwen Bird
University Librarian & Dean of Libraries

The list includes publications by SFU students, staff, alumni and current and retired faculty from January 1, 2021 to December 31, 2021.

We regret any discrepancies or omissions.
