MESSAGE FROM THE UNIVERSITY LIBRARIAN

I’m pleased to offer congratulations to all the authors and creators we recognize at our 17th annual Celebration of SFU Authors. This is an important way for us to record and document the scholarly and cultural output of the university.

This year we celebrate more than 160 works authored by faculty members, students, staff, postdoctoral fellows, alumni, and retirees. This year’s list reflects the variety of scholarship and creative work at SFU—it covers everything from mathematics and marginalization, to migration and mushrooms. These works were published during 2022 in multiple languages and in an array of formats, many of them pushing the boundaries of what we understand as “books.”

We are so pleased to be convening in person for the celebration again this year, after several virtual events due to the COVID-19 pandemic. Congratulations to all!

Gwen Bird
University Librarian & Dean of Libraries

The list includes publications by SFU students, staff, alumni and current and retired faculty from January 1, 2022 to December 31, 2022.

We regret any discrepancies or omissions.
