MESSAGE FROM THE UNIVERSITY LIBRARIAN

On behalf of the SFU Library, I'm delighted to welcome you to the 11th Annual Celebration of SFU Authors.

Again this year we celebrate an impressive array of publications representing the full range of academic and creative output at SFU. It's fascinating to see both the formats and the subject matter of the books on this list each year evolve to reflect the times. The list of works published in 2016 includes topics as yet unimagined

when we began this celebration in 2006, and each year we include more electronic-only publications. What remains constant is the reach and range of authors, including faculty, staff, students, alumni and retirees. I am very pleased to congratulate all participants on their 2016 publications.

A handwritten signature in black ink, appearing to read 'Gwen Bird'.

Gwen Bird
University Librarian & Dean of Libraries

The list comprises of publications by SFU students, staff, alumni and current and retired faculty from January 1, 2016 to December 31, 2016.

We regret any discrepancies or omissions.
