CELEBRATION OF

SFU

MARCH 14, 2019

2018 PUBLICATIONS
MESSAGE FROM THE UNIVERSITY LIBRARIAN

Congratulations to all the authors we celebrate today at our 13th annual Celebration of SFU Authors. Publishing a book is a milestone achievement in the life of any author, and the Library is delighted to help mark this accomplishment for faculty, staff, students, and alumni of SFU.

As always, we have a wide range of topics and types of books on our list today. We feature many scholarly books and chapters, creative works, translations, fiction, poetry and several hybrid works. I have watched with interest as the formats have evolved over the past several years, and now include many works published only electronically. This year we also celebrate some newly published Open Educational Resources written by SFU faculty members as part of the effort to bring high quality learning materials into classrooms at no cost to students. It is a pleasure to compile and review this list every year, and to host this celebration of such impressive creative and scholarly production.

Gwen Bird
University Librarian & Dean of Libraries

The list includes publications by SFU students, staff, alumni and current and retired faculty from January 1, 2018 to December 31, 2018.

We regret any discrepancies or omissions.
