AUTHORS

MARCH 10, 2021  
2020 PUBLICATIONS

## MESSAGE FROM THE UNIVERSITY LIBRARIAN

I extend sincere congratulations to all the authors and creators we recognize at our 15th annual Celebration of SFU Authors. We applaud you for your contributions to the scholarly and cultural output of the university.

This year we celebrate over 125 works authored by alumni, faculty members, students, staff, and retirees. As always, the range of topics and forms is impressive, spanning the full

array of subjects studied at the university, and showcasing the inspiring creativity of SFU authors.

This year for the first time, we will hold our celebration virtually due to the global pandemic. Despite the fact that we cannot gather to celebrate in person, we are no less enthusiastic in our celebration of these remarkable scholarly and creative accomplishments. Congratulations to all!

*Gwen Bird, Dean of Libraries*

The list includes publications by SFU students, staff, alumni and current and retired faculty from January 1, 2020 to December 31, 2020.
