Celebration of SFU Authors

March 20, 2012

SFU

Message from the University Librarian

Welcome to this celebration of SFU authors who have published a book or book chapter during 2011. This is the fifth annual event celebrating SFU book authors sponsored by the Library. This year we are celebrating 127 works published by 107 current faculty, students, staff as well as SFU alumni and retirees. The topics covered by the authors reflect the wide range of inquiry at SFU and confirm the broad impact that our authors are having on the global community. The Library extends its congratulations to each author on their achievement.

A handwritten signature in cursive script that reads "Charles Eckman".

Charles Eckman
University Librarian and Dean of Library Services

This list comprises book/chapter publications by SFU students, staff, alumni, and current and retired faculty from January 1, 2011 to December 31, 2011.
