Welcome to this celebration of SFU authors who have published a book or book chapter during 2011. This is the fifth annual event celebrating SFU book authors sponsored by the Library. This year we are celebrating 127 works published by 107 current faculty, students, staff as well as SFU alumni and retirees. The topics covered by the authors reflect the wide range of inquiry at SFU and confirm the broad impact that our authors are having on the global community. The Library extends its congratulations to each author on their achievement.

Charles Eckman
University Librarian and Dean of Library Services
