ENGAGING THE WORLD

CELEBRATION OF
SFU AUTHORS

2013 PUBLICATIONS
MARCH 25, 2014

SIMON FRASER UNIVERSITY LIBRARY

MESSAGE FROM THE UNIVERSITY LIBRARIAN

Welcome to the seventh year of the SFU Library's celebration of SFU authors. This annual event continues to grow with over 135 works published by 105 faculty, students, staff as well as SFU alumni and retirees. The range of topics reflects the breadth of research and scholarly interests of these SFU authors. What is also interesting to note is the evolving nature of publishing. Each year sees more e-books, online resources, and mixed media formats making their appearance at our celebration.

The Library is very proud to host this event that showcases the work of so many SFU authors -- it is a truly impressive achievement when all of them are brought together in one place.

A handwritten signature in blue ink, appearing to read "G.W. Owen". The signature is fluid and cursive, with a long horizontal stroke at the end.

*G.W. Brian Owen, Dean of Library Services
and University Librarian (Pro Tem)*

The list comprises of publications by SFU students, staff, alumni and current and retired faculty from January 1, 2013 to December 31, 2013.

We regret any discrepancies or omissions.
