## RESEARCH CONCEPTS MAP WORKSHEET

| 1  | CREATE | ٨                | CEA                     | DCH.         | CTD.                               | $\Lambda$ $TE$ | $\mathbf{CV}$ |
|----|--------|------------------|-------------------------|--------------|------------------------------------|----------------|---------------|
| Ι. | CREATE | $\boldsymbol{H}$ | $\mathbf{D}\mathbf{E}A$ | $\mathbf{n}$ | $\mathbf{D} \mathbf{I} \mathbf{N}$ | <b>AI</b> E    | ЛTІ           |

- a. Combine same concept words with an "or"
- b. Combine different concept words with an "and".
- **c.** Use "advanced keyword" search option wherever available.

| 2. | Research Question |  |  |  |  |  |  |
|----|-------------------|--|--|--|--|--|--|
|    |                   |  |  |  |  |  |  |
|    |                   |  |  |  |  |  |  |
|    |                   |  |  |  |  |  |  |
|    |                   |  |  |  |  |  |  |
|    |                   |  |  |  |  |  |  |
|    |                   |  |  |  |  |  |  |

## 3. Concept Map for your question

| Concept 1 | Concept 2 | Concept 3 |
|-----------|-----------|-----------|
|           |           |           |
|           |           |           |
|           |           |           |

## 4. Which database(s) will you use for your topic?

- Does the database have a thesaurus?
- Use "quotation marks" to search a phrase, especially if it is a "fulltext" database such as JSTOR.
