

Approval

Name: Donna Hohertz
Degree: Doctor of Philosophy (Physics)
Title of Thesis: *Optimizing the Refractive Index Sensitivity of Extraordinary Optical Transmission Based Sensors*
Examining Committee: **Chair:** Malcolm Kennett
Associate Professor

Karen L. Kavanagh
Senior Supervisor
Professor

David Broun
Supervisor
Associate Professor

Michael Thewalt
Supervisor
Professor

J. Steven Dodge
Internal Examiner
Associate Professor

Michel Meunier
External Examiner
Professor
Department of Engineering Physics
École Polytechnique de Montréal

Date Defended/Approved: December 8th, 2014
