Books & ebooks

Books often provide a deeper and broader treatment of a subject than you can get from either a journal article or a web site.

To help you find books relevant to Indigenous business topics, we've provided detailed search instructions (including links to pre-run searches) in our [Library guide for Executive MBA in Indigenous Business and Leadership](#). Because that guide already provides such comprehensive tips, we'll focus on just listing some key books here.

Company directories

[IBD \(Indigenous Business Directory\)](#)

The Government of Canada's IBD is designed to assist and support Indigenous business government, as well as the private sector to identify Indigenous businesses. The IBD contains NAICS code, business activity, number of employees, sales, market interest, etc.

[CCAB \(Canadian Council for Aboriginal Business\) Member Directory](#)

CCAB builds bridges between Aboriginal and non-Aboriginal peoples, businesses, and organizations. It recognizes and celebrates the achievements of Indigenous business leaders, and major business awards, and national events. This directory enables browsing by alphabetical order, membership type.

[BC Indigenous Business Listings](#)

This dataset offers a brief summary of Indigenous businesses operating in BC. The information includes ownership trends among Indigenous businesses. For each business, the listing includes contact links, primary emails, and primary phone numbers.
