
Questions:

1. Why is my easy-to-obtain ratio comparison report *inadequate* for this assignment?

2. What are the *potential problems* with using a complete list of peers from a database?

**Key resource:**

- MINT Global: includes access to information from MarketLine and GlobalData

- S&P Capital IQ: register while on campus, then access from home

**Extra resources (if time):**

- Thomson Reuters Eikon + Datastream

- Bloomberg
