# Belzberg Library

A wide-angle photograph of the Belzberg Library interior. The space is filled with long wooden bookshelves packed with books. Several large, white, ribbed pendant lights hang from the ceiling, casting a warm glow. In the background, there are study desks with computers, where a few people are working. Large windows on the right side offer a view of the outdoors. A white text box in the top left corner contains the library's name, and another white text box in the bottom right corner contains the text 'Print Collection and Intercampus Delivery'.

## Secondary Market Research Resources

There is a large amount of market research information available in print, on electronic databases, and on the web. Use this guide as a starting point for your research but remember that there are *many* more sources than those listed here.

Don't hesitate to ask for help at any of the SFU Library branches. You may also contact our reference librarians via telephone, chat, or email using our [Ask a Librarian](#) services.

Asking for help can save you a lot of time!
