APPROVAL & DEGREE RECOMMENDATION

The thesis/project/essays of the above named student is ready for submission to the Simon Fraser University Library for the purpose of graduation. Any revisions required by the examining committee have been satisfied (if applicable). After submission no further changes are permitted, except revisions requested by the University Library.

The above named student has met the University minimum requirements and their program requirements. Their Academic Progress Report shows "Satisfied" on all the requirements (except final capstone).

NOTES for the RAD

WHAT THIS FORM IS

If this form is used it replaces the following:

- Signed Approval Page
- Examination Results Memo
- Supervisor Revision Memo
- Recommendation for Award of Degree

A copy of this form should be given to the student after the supervisor has signed off on revisions and program requirements. At that point, the student may upload the form to the Library's Thesis Registration System.

SIGNATURE REQUIREMENTS

Each signature on this form must be one of the following:

- Signed by hand
- Printed document which is signed manually and scanned/photo
- Adobe digital sign/ DocuSign
- Handwritten signature applied electronically
- Signed via touch screen (draw etc.)
- Signature stamp applied
- Signed by a delegated authority in one of the above fashions

The following is NOT acceptable:

- Signatures that have been typewritten using a signature-style font.

The chair of the examination does not need to sign the form. Instead please write their academic role and department (eg. Archeology Professor or MRM graduate candiate).

This form does not need to be sent to the FGSC if University and program minimums are met as it will be approved under delegated authority. If an exception to the minimums is needed, a memo from the FGSC should be included outlining the exception and the case.

COMMITTEE COMPOSITION

If the student's committee composition does not include all members listed on the form please leave the row blank when it is not applicable. The committee composition should match the committee provided in the Scheduling a Master's Defence or Approval of Doctoral Examination Committee submission.

1st and 2nd reader is a generic term. In goSFU and on the declaration of committee they will be formally recognized as a committee member.
