Create alert

Create and schedule email alerts to deliver new documents from this publication as they become available in ProQuest. Tip: Create a My Research account to modify, delete, or view all of your alerts.

Step 1 - Review publication details

Publication: The Economist:London
Full text coverage: Jan 4, 1986-Current
Send this alert: When either Citation/abstract or Full text is available. Only when Full text is available.

Step 2 - Define your alert email

Required *

Send to: *

Subject:

Message (optional) Add message

Stop After: you will have the opportunity to extend this alert before it expires.

Cancel Create alert

5. Select *Create alert*.
 6. Fill out the form with your *email address*, a *subject*, and a "*Stop After*" choice for how long the alert should be active. (You can extend it later!)
- The database will send you an email to confirm your alert, then you can just sit back and wait for alerts about new weekly issues to start arriving, complete with links to each article!
